**To enable individuals by offering financial assistance and cultivating a sense of belonging through a worldwide crowdfunding platform.**

## VISION

**To build a financially secure and interconnected global community where everyone contributes to and benefits from collective growth**

# WHY BUILD A COMMUNITY SYSTEM

## GLOBAL SUPPORT

A collective effort that  
Enhances the financial well-  
being of all member.

## FINANCIAL FREEDOM

Member achieve financial  
freedom through  
collaborative efforts and  
system support.

## COMMUNITY DONATION

A portion of earnings supports  
community donation  
activities, contributing to  
social good.

## SUSTAINABILITY

The single-leg system ensures  
continuous growth and long-  
term Viability.

# SINGLE – LEG PEOPLE HELPING PEOPLE

**Unified structure** : all members join a single-leg system, ensuring everyone benefits from global contributions.

**Team building** : each member helps build the system by contributing and referring others.

**Community donation** : earn and contribute to community donation, promoting a cycle of support and growth.

# CF INDIA

## P2P COMMUNITY

**P2P Help is a platform that fosters connections and boosts users' confidence, enabling them to reach their financial goals through fundraising.**

**As an online social platform, P2P Help allows individuals to gather contributions by cultivating their own communities. Here, people come together to meet their financial needs and aspirations.**

**With no intermediaries involved, transactions occur directly between peers on this platform.**

**P2P Help is managed by its members, who hold all financial rights.**
